

Notes

Forthcoming drama materials:

Soon to be released by Red Deer College Press is *Playhouse: Six fantasy plays for children*, edited by Joyce Doolittle. It includes *A nest of dragons*, Zina Barnieh; *The old woman and the pedlar*, Betty Jane Wylie; *The merchant of Dazu*, James DeFelice; *Prairie dragons*, Sharon Pollock; *Swimmers*, Clem Martini; and *Friends*, Tom Bentley-Fisher.

NeWest Press, Edmonton, has been actively involved publishing collections of innovative Canadian scripts. These collections are: *Showing West: Three prairie docu-dramas, 1982*; *Five from the fringe, 1986*; and *Newest plays by women, 1987*. While none of these scripts are specifically Theatre for Young Audiences, they would be of interest and value to young people in a drama, language arts or social studies programme.
