

**Do you know what your children
are reading?
And are they reading the best in
Canadian literature?**

CM is the only comprehensive
magazine of Canadian books
for children and young people.

- over 100 reviews in every issue
- the latest in books, cassettes, films and games
- feature interviews with authors and illustrators

An indispensable tool for teachers, school librarians, parents.

Let CM keep you informed, up-to-date and delighted.
